

JAMES SANGER Z

PRODUCER / WRITER / PROGRAMMER

Having been involved in twelve top 10 single hits and six top 10 albums **Writer / Producer James Sanger** has worked with some of the biggest selling acts in the past decade.

James **developed, co-wrote, programmed and produced Keane** at his rural residential studio over a period of six months after which they got a publishing deal with **BMG** and were later signed by Ferdy Unger-Hamilton to **Universal / Island** releasing their debut album **Hopes and Fears**. The album remained in the charts for around 80 weeks with sales in excess of **4 million** so far. James has also **co-written** eight further tracks, four of which have been released as b-sides and the album has since won the **Q Award** for **'Best Album'** and been nominated for the **Mercury Music Prize**.

James has worked with **Dido** on both her hit albums programming such hits as **'Here With Me' (Uk No.1)**, **'Hunter'** and **'All That You Want'** from the **'Brit Award Winning'** best album **No Angel** as well as **'See The Sun' (UK No.1)** and **'Don't Leave Home'** from her second album **Life For Rent**.

He worked on both **Mel C** albums, programmed the hit **'Northern Star' (UK No.1)** and **'On the Horizon' (UK top 20)** from her last album **Reason**.

James also programmed many tracks on the **'Appleton'** debut album **Everything Is Eventful** including the **UK no.3** hit single **'Don't Worry'**. James co-wrote and produced **Siobhan Donaghy's** (ex Sugababes) current album **Ghosts** (Parlophone). He is currently developing bands at his residential studio in France.

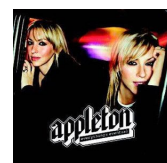

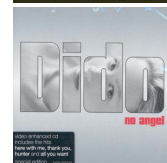

Other big names worked with include: **U2, Manic Street Preachers, Phil Collins, Brian Eno, Natalie Imbruglia & Kylie.**
