

Jony "rockstar" Lipsey

WRITER / PRODUCER / PROGRAMMER / ARTIST / BEATS

Jony Lipsey, nicknamed Jony Rockstar from his early DJ'ing days, is an extremely talented and creative writer / producer / programmer / player. He worked alongside Howie B for 5 years on all his artist projects and third party remixes.

Jony has been one of the main writers and producers on all the Sugababes albums to date which include the massive radio hits 'Overload' and "Stronger" (Uk No. 4, and A-List Airplay chart for 28 wks), and the single "Caught In A Moment" (UK No.7), a really beautiful and moving ballad.

Jony had 3 further tracks on the Sugababes album "Taller In More Ways" (No.1), and smash hit single "Follow Me Home" and 4 tracks on their Greatest Hits album Overloaded (UK No.3). He has three tracks on the new Sugababes album 'Change.'

Other artists worked with include Mutya, All Saints, Lilly Allen, Siobhan Donaghy, Leon-Jean Marie and Tyler James. Jony has been writing with Karen Poole for Will Young, Alex Cartana, Zarif (Sony BMG) and hotly tipped Rendle Will. He recently produced Booty Luv, remixed Alicia Keys' latest 2 singles "No One" and "Like You'll Never See Me, "recently produced a live version of "Be Mine" for Robyn, and has been working on tracks for Bryn Christopher (Polydor).

Jony has a great sense of rhythm & beats, and writes cool and catchy melodies. He owns his own large Pro-tools system and we are looking for new and exciting projects to get him involved in as a writer / producer.
