

RUADHRI CUSHNAN

MIXER/ ENG/ PROD/ SONGWRITER

Ruadhri is an experienced and versatile **Mixer / Engineer/ Programmer / Producer / Writer** who uses his wealth of **engineering** expertise to compliment his writing sessions. As an engineer at Metropolis Studios he worked alongside international artists such as **Queen, Al Green, The The and Ray Charles** and later, projects such as **Primal Scream, U2, Neneh Cherry, Babylon Zoo and All Saints**. Ruadhri then went freelance for top producers such as **Rupert Hine, Cameron McVey and Phil Palmer**. He spent a number of years working in the US on various projects including acclaimed debut album from **Duncan Sheik, (top 10 US billboard)** San Francisco **Stroke 9** and a number of albums with Irish Singer Songwriter **Eleanor McEvoy**.

In recent years Ruadhri has worked closely with **George Michael** leading to production and writing credits on the hit album '**Patience**' and co wrote and produced two singles from this year's Greatest Hits package '**Twenty Five**' including the collaboration with ex Sugababe **Mutya**. He also recorded and mixed George's '**25 Live**' show at **Wembley** for Channel 4. Last year he mixed the forthcoming album for internationally renowned world music artist **Youssou nDor** including the single "**Wake Up**" featuring **Neneh Cherry**. Last September saw the release of the critically acclaimed debut album by '**Tall Tree 6ft Man**' which Ruadhri produced and engineered. Ruadhri has recently mixed **Jeremy Warmesley's** second album (Transgressive), **The Guillemots** newly released album 'Red' (Polydor) including single "Get Over It" and has been mixing for **Coldplay's** forthcoming album.

Ruadhri has his own well equipped programming room in North London.
